GROWING
COMMUNITIES

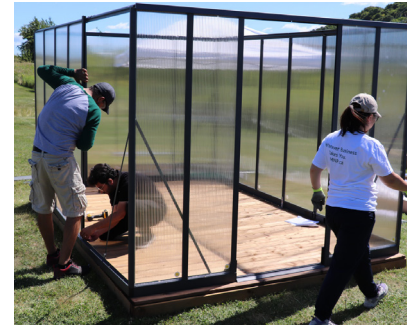

UNITED WAY GARDEN HUBS

Garden in partnership with Niagara College

Daniel J. Patterson Campus

Two Acre Community Farm

Vineland

Our Community Gardens are spaces for the community to come together and grow for local food security initiatives. These gardens rely on the help of valued volunteer helpers to plant, maintain, harvest, package and share our fresh produce.

VOLUNTEER OPPORTUNITIES

Individuals

Families

Groups

Garden Helper

This would include participating in garden maintenance, planting, and harvesting. Continual and one time volunteering opportunities available.

Garden Educator

This would include training to be able to facilitate gardening workshops. Continual and one time volunteering opportunities available.

Admin Helper

This would include assisting with garden newsletters, volunteering or event coordination. Continual volunteering opportunities available.

Adopt a Garden Space

This would include caring for your very own garden section, with a recommended commitment of 3 visits a week to plant, water, weed and harvest your garden plot.

Workshops on organic gardening, food preservation, and other aspects of land care including pollinators, seed saving, soil health and composting will be offered!

Interested in Volunteering with Growing Strong Communities?

Show us your interest by completing our [Volunteer Form](#), and we will work with you to match your interests to opportunities.

If you have any questions, please contact the Program Coordinator, Erin Riseing at erin@niagaracommunitygardens.ca.
